

This exploded view diagram illustrates the assembly of a gas water heater. The components are numbered as follows:

- 1**: Gas control valve
- 2**: Gas control knob
- 3**: Gas control knob cap
- 4**: Gas control valve mounting bracket
- 5**: Gas control valve mounting screw
- 6**: Gas control valve mounting nut
- 7**: Gas control valve mounting plate
- 8**: Gas control valve mounting pin
- 9**: Gas control valve mounting pin
- 10**: Gas control valve mounting pin
- 11**: Gas control valve mounting pin
- 12**: Gas control valve mounting pin
- 13**: Gas control valve mounting pin
- 14**: Gas control valve mounting pin
- 15**: Gas control valve mounting pin
- 16**: Gas control valve mounting plate
- 17**: Gas control valve mounting pin
- 18**: Gas control valve mounting pin
- 19**: Gas control valve mounting pin
- 20**: Gas control valve mounting pin
- 21**: Gas control valve mounting pin
- 22**: Gas control valve mounting pin
- 23**: Gas control valve mounting pin
- 24**: Gas control valve mounting pin
- 25**: Gas control valve mounting pin
- 26**: Gas control valve mounting pin
- 27**: Gas control valve mounting pin
- 28**: Gas control valve mounting pin
- 29**: Gas control valve mounting pin
- 30**: Gas control valve mounting pin
- 31**: Gas control valve mounting pin
- 32**: Gas control valve mounting pin
- 33**: Gas control valve mounting pin
- 34**: Gas control valve mounting pin
- 35**: Gas control valve mounting pin
- 36**: Gas control valve mounting pin
- 37**: Gas control valve mounting pin
- 38**: Gas control valve mounting pin
- 39**: Gas control valve mounting pin
- 40**: Gas control valve mounting pin
- 41**: Gas control valve mounting pin
- 42**: Gas control valve mounting pin
- 43**: Gas control valve mounting pin
- 44**: Gas control valve mounting pin
- 45**: Gas control valve mounting pin
- 46**: Gas control valve mounting pin
- 47**: Gas control valve mounting pin
- 48**: Gas control valve mounting pin
- 49**: Gas control valve mounting pin
- 50**: Gas control valve mounting pin
- 51**: Gas control valve mounting pin
- 52**: Gas control valve mounting pin
- 53**: Gas control valve mounting pin
- 54**: Gas control valve mounting pin
- 55**: Gas control valve mounting pin
- 56**: Gas control valve mounting pin
- 57**: Gas control valve mounting pin
- 58**: Gas control valve mounting pin
- 59**: Gas control valve mounting pin
- 60**: Gas control valve mounting pin
- 61**: Gas control valve mounting pin
- 62**: Gas control valve mounting pin
- 63**: Gas control valve mounting pin
- 64**: Gas control valve mounting pin
- 65**: Gas control valve mounting pin
- 66**: Gas control valve mounting pin
- 67**: Gas control valve mounting pin
- 68**: Gas control valve mounting pin
- 69**: Gas control valve mounting pin
- 70**: Gas control valve mounting pin
- 71**: Gas control valve mounting pin
- 72**: Gas control valve mounting pin
